Team Sponsor Application

Local business sponsorship of our Softball teams is critical to the success of the CLNYAA program. Along with the registration fees, your sponsorship is a major source of funds for buying uniforms, bats and balls, catcher's equipment, and batting helmets, paying the league dues, umpire fees and field rental fees.

Getting to see these young people play – watching them develop individual skills, teamwork, and good sportsmanship – that's where you'll feel best about your sponsorship investment. Can we count on you and your company this year?

SPONSORSHIP FEE - \$250.00

Your company name is printed on the back of your Softball Teams' uniform shirt. Your sponsorship waives the registration fee for one child. Your name and logo are placed on the Sponsor's page of our website.
